**Subject:** RE: CCDS guidance for emergency orders

Thanks Annette for response and offer to help - my day is compressed/ booked up today, but I'll send you an invite for tomorrow to work on this.

Dino - depending on where we land, I'll follow up with you on how to right-size those fields for DW. Much appreciated.

Annette -

Working up CCDS for SDWA emergency order and the fields just aren't making sense. I looked on share point for some sort of updated manual, but I only saw the old templates. Anything you can provide?

FYI Dino/ Elly, you might want to link this doc in your PIPE how to doc.

Apologies - I'm not sure who ended up with SDWA coverage. Sending 1 of 2 requests for 2 separate SDWA cases at same facility.
